YOUR PRESIDENT

THE RENOVATIONS AS MENTIONED IN MY LAST LETTER ARE PROGRESSING WELL. MUCH THANKS TO BOB DEAN WHO IS HEADING THE BUILDING COMMITTEE. THANKS TO ALL WHO ARE GIVING THEIR TIME TO HELP WITH THE RENOVATIONS.

WE ARE OPTIMISTIC ABOUT REPLACING THE MANAGER. JIM SVENSEN DID AN EXCELLENT JOB AND HAS GONE TO A FULL TIME POSITION. THE JOB IS INTERESTING AND CERTAINLY PRESENTS A CHALLENGE. IF YOU ARE INTERESTED IN THE POSITION OR KNOW OF SOMEONE WHO IS, PLEASE LET US KNOW.

SPOKANE "LILAC CITY When visiting Washington State this summer and looking for what's happening in the City of Spokane, make sure you visit the "OTHER SIDE" formerly "Dorothy's at 919 W. Sprague(one block west of the Davenport Hotel). Under new management of Mr. & Mrs. Wilkinson the tavern has remained Gay and boasts of dancing and shows. They are changing the name in the next month or so to " JEANIE'S. The " NITE HAWK " at 330 W. Riverside is alive and well and has been remodelled. Jack Allen has enlarged it and added a fire place and loads of cedar shakes. When in Spokane, stop in at one of the above and have a beer or two, You are always welcome in the " Lilac City."

THINK *The conversion of Canadian Highway System began with the placement of 85*
METRIC *kilometre road signs on main roads in the Province of Quebec early in*
1974. It is expected that across Canada all highway signs indicating legal
speed limits and distances will be changed by September 1977. Expected
speed limits will probably be 50 kilometres per hour in Urban areas, 100
kilometres per hour on regular highways. Under the metric system, gasoline
consumption will be in litres per 100 kilometres.
